STONE CREEK WOMEN'S GOLF LEAUGE PLAY INFO

Welcome to Stone Creek Women's Golf Club! Here is some information on weekly play.

- Women's Club Season is April through October with choice of playing 18 or 9 holes on Tuesdays, and 18 holes on Flex Fridays.
- Our golf outing is organized by the Stone Creek Pro-Shop with the use of Golf Genius (GG) software.
- Weekly emails (usually from Rich Paden) are sent for golfer signup. Invites are sent 7 days before play day.
- GG is used to do blind pairings and Tee Sheets. Tee Sheets are emailed to attending players 24 hours in advance of play.
- Plan to arrive 30 minutes before your tee time. Check in at the Pro-Shop to pay green fees and mandatory \$3 weekly game fee. Play is setup using GG mobile scoring and follows USGA and Local Rules for handicapping.
- Game winnings are paid as Pro-Shop credit and can be used for green fees, merchandise, food or beverage. Weekly payout results are generally finalized within 48 hours and emailed to all golfers.
- GHIN posting is uploaded through GG, **do not post your own scores**.

It is appreciated if all members respond to the weekly signup emails by selecting the option of Playing or Not Playing. Golfer will receive a confirmation email of their selection. At time of signup, members may also add a guest or email the manager (Rich) with other needs.

Signups close 48 hours before play. Changes to your signup option may be made through the signup confirmation email. (Move from playing to not playing or vice versa.) Or call the Pro-Shop. Please limit the need for making changes on play day!

If you are unable to make your tee time, call the pro-shop at 503-518-4653, select option 1.

SCORING WITH GOLF GENIUS (GG)

- Everyone, download the Golf Genius app to your phone.
- Enter GGID code into the app for access to mobile scoring. (The code may be found on tee time email, at the pro-shop and the starter shed). One person in the group will enter the scores in GG for all players.
- Enter each player's gross score for every hole. If a player picks up on a hole, the GG scorer enters par plus 6. (a 9, 10 or 11) Never enter an X.
- If a golfer does not finish the round, GG scorer LEAVES THE UNFINISHED HOLES BLANK for that golfer. Never enter an X.
- At the end of the round, compare the GG mobile score hole by hole with each individual player's scorecard. Once verified, GG score becomes the official record for the day's game and GHIN posting. GG will calculate hole by hole handicap max to be double bogey plus handicap strokes when posting to GHIN

REVISION DATE: 04-29-26

SCORECARDS

- Complete your individual scorecard with name, date, gross score per hole. Make note of chip-ins to record in clubhouse at the end of the round. Enter putts on a separate line if required for the day's game. (Chips Ins and Putts apply to Tuesday play only.)
- Any uncompleted hole is scored with a max score of par plus 6. (post a 9, 10 or 11). If the 4some is in a pace of play problem, pick up is encouraged when the max score of par plus 6 has been reached. Day's Play only, not Competitions without Committee approval.

AFTER PLAY

For Tuesday play, fill in chip-ins and putts (if there is a putting game) in the Tuesday's day play notebook. (Friday flex golf games vary and do not offer chip-ins or putting game.)

SPEED OF PLAY TIPS

PLAY READY GOLF

- If possible, select the club for your next shot on your way to your ball.
- Go to your ball and be ready to hit as soon as players behind you have hit.
- Limit yourself to one or two practice swings.
- Pull your cart toward the next hole and away from the green.
- Write the score down when you arrive at the next tee box. Report score to the GG scorekeeper.
- It is up to everyone in the foursome to keep play moving.

**KEEP IN MIND THAT YOUR PLACE ON THE GOLF COURSE IS DIRECTLY
BEHIND THE GROUP IN FRONT OF YOU.
NOT DIRECTLY IN FRONT OF THE GROUP BEHIND YOU.**

Date: March 2025

1. Only one signature is required on a Stone Creek Women's Golf Club check. The President and the Treasurer are authorized to sign alone. Bank statements will be electronically retrieved monthly from the bank by the Treasurer and made available to the President if requested. The Treasurer will share the pass codes to the account with the President.
2. Current USGA Rules of Golf and Stone Creek Women's Club policy shall be observed in all golf events. These shall be enforced and interpreted by the Competition Chairman or member of her committee.

Only current members that have played a minimum of five 18-hole Stone Creek rounds in the current season with the Women's Club shall be eligible for Championship competition play. The same criteria applies for Most Improved Player.
5. The annual dues shall be determined each season by the Board at their Fall meeting. The OGA handicapping fee will be paid in addition to the dues unless OGA handicapping fee is paid through another women's club. Stone Creek Women's Golf Club must have ten paying members to constitute a club.

Reservations for competitions shall be paid in advance as specified by the Competition Chair. Competition cancellations must be made 7 days ahead in order to get the fee returned. REVISION DATE: 04-29-26

➤ **Overall Low Gross and Low Net from Eclectic Card Award**

Awards are made in each flight with flights determined by the last GHIN revision in September.

9. Hole-In-One Club

Membership is included in Club dues. The regular season HIO coincides with the Opening Day through the Closing Day of the Stone Creek Women's Golf Club. The hole-in-one must be made during a regular day's play at Stone Creek Golf Course or at a rated course on an official scheduled Away Day as set by Day's Play Chair.

The winter HIO season will extend from the Closing Day to Opening Day of the regular season and can be played any day of the week. The game must be played at Stone Creek Golf Course and must be witnessed by a member of the regular Stone Creek Women's Club. Only regular season members of the Women's Club will be eligible to participate in the winter HIO game.

The hole-in-one must be the first shot played to the hole and the player must be playing a stipulated round. Regular season payouts will occur after the close of the season and will be awarded at the year-end luncheon. If there is more than one winner, monies will be paid out in equal amounts to all winners. Any unpaid money will be put back into the general fund. Winter HIO payouts are out of a separate budget and will be made at the beginning of the regular season.

LOCAL RULES

1. Per model local rule E-5, as an alternative to the stroke and distance penalty for **lost or out-of-bounds**, you may instead take a drop. The player is assessed 2 penalty strokes for using this this option. This is comparable to what could have been achieved if the player had taken stroke-and-distance relief.

- A. Determine, as near as possible, the point where your ball entered the area when it became lost or went out-of-bounds (Ball reference point)
- B. Find the point closest to that spot on the edge of the fairway no closer to the hole. (Fairway reference point)
- C. Measure 2 club lengths from either reference point (this includes 2 club lengths into the fairway)
- D. Find the flag on the green and extend that line to both reference points plus 2 club lengths and back as far as you wish on that line.
- E. Drop anywhere behind and between those points in the GENERAL AREA.

In the unlikely event of losing a ball in the fairway this local rule may be used. If it is virtually certain the ball is lost in the fairway, relief is 2 club lengths from the point that the ball is

estimated to have come to rest in the fairway. The player is assessed 2 penalty strokes.

This option cannot be used if you have played a provisional ball as your relief option.

This rule DOES NOT apply to a ball lost in a red or yellow PENALTY AREA. It is important to remember that following this rule is optional on any hole during the round.

2. Packed stones around base of trees treated as obstruction. This rule applies only if the ball lies in the defined area. No relief for stance or swing. All trees in the general area with a surround of packed stones placed for tree protection, are treated as immovable obstruction and free relief is allowed under Rule 16.1. Relief is allowed only if the ball lands on the stones. Relief is one club length from the stones, no nearer the hole and in the same area as the tree.

Periodic Local Rules For Current Course Conditions:

(Check with Day's Play Committee or Pro-Shop if in effect for the round)

1P. Preferred Lies: This a periodic rule and for the Play Committee to determine if it is in effect. When winter rules (also referred to as "ball up" or "lift, clean, and place") are in effect, players are allowed to lift, clean, and place their ball within one club length on the fairway, and within six inches in the rough. Relief must be in the same area of the course where the ball originally landed and no closer to the hole.

2P. Heavily sanded areas will be considered Abnormal Ground Conditions. This is a periodic rule and for the Play Committee to determine if it is in effect. If all fellow players agree, the member will be allowed relief under rule 16.1b by dropping the original ball, or another ball, in the relief area.
