

Stone CreekWomen's Club Member Meeting Minutes
Tuesday, April 1, 2025

The President called the meeting to order at 8 am. The minutes from the last meeting were approved with no objections or changes.

Thank you to Lillian for putting on our Opening Day Breakfast and for introducing a 50/50 raffle event to be played at every member meeting.

The President reported that at present we have 54 members, down a few from last year so there were a few budget cuts. The Sip and Visit will no longer be funded by the club. We will still meet but you will purchase your own drinks.

The Historian budget was shifted to the website and Lillian will be responsible for posting photos on the website. Please email Lillian any photos you'd like to see on the website.

Colleen reported that the Guest Day Committee met and put together guidelines for the event. The committee voted to allow all players to participate, including high and low handicappers. Participants with no handicaps may turn in 5 recent scorecards. If they do not have 5 recent scorecards, they may submit their best guess of the average score from their most recent rounds. Guest Day is scheduled for July 29th. The Schedule of Events is on the General Information page on the Stone Creek website.

Doug reported that a new memorial bench for the 14th tee was purchased for \$1,200-\$1,300 and that Stone Creek Golf Club would cover the cost of the bench.

MEMBER PLANET

Lillian reported on Member Planet. OGA requested that all clubs pay their handicapping dues through the Member Planet platform. Members may also pay their club membership dues online without having to send a check every year to Patty. You can pay your handicapping and member dues at the same time. Patty will have access to the roster through Member Planet. Lillian has been working super hard to get this set up.

Lillian is asking everyone to go to Member Planet and claim your account and fill out your profile information. Please use the same email account that you used to sign up for GHIN. When Lillian gets all the kinks worked out she will communicate more later on how to use it. We will begin using Member Planet next Fall. If you encounter any trouble claiming your account, contact Lillian. OGA is still working out the kinks and it could be a problem on their end.

TREASURER REPORT

Kim, the Treasurer, reported on the budget. Financial updates showed a balance of \$1,804.14. It was suggested that we can always increase our membership (and budget) by inviting guests to play and hopefully they will enjoy the course and want to become a member. If you sign up a guest to play on game days, they will play with you. You may sign up more than one guest, and all play together.

WIP

Becky and Tami reported on WIP which stands for Women's Inner Club Play; a match play format. There are two new courses this year, Stone Creek in June and Pumpkin Ridge in September. A sign up sheet was passed around and players of all abilities were encouraged to sign up. They need all different handicaps and are looking for a successful team this year.

WINTER EC

Nancy reported on the winners of Winter EC. See attached sheet for the list of winners.

LASTLY, Colleen reminded everyone that there is a wine tasting and Puma sale following golf today.

Meeting adjourned at 8:30 am.
