

# MEN'S CLUB BOARD MEETING MARCH 30, 2021

## MEMBERS IN ATTENDANCE:

Jack Byrne, Pat Walsh, Scott Carver, John Vahey, Dana Kolik, David Sanders, John Koptiuch, Dick Martin, Rich Paden

## PRESIDENT REPORT:

Nothing to report.

## VP REPORT:

Nothing to report.

## TREASURER REPORT:

Confirmed that the usual \$500 is budgeted for the Master's tournament.

Announced that the price the club pays for drink tickets for tournaments this year has increased by \$1.

## HANDICAP COMMITTEE REPORT:

We currently have 312 paid memberships with 41 being new members or returning after an extended absence.

## TOURNAMENT COMMITTEE REPORT:

Noted that 110 players participated in the club's opening tournament earlier this month which was considered a very good turnout.

## OLD BUSINESS:

The Board voted to name the first and last tournaments of the year as the Spring Opener and the Fall Closer.

## NEW BUSINESS:

Due to the pandemic, the OGA cancelled their Tournament of Champions last year. The Club pays for the Club Champion and the Senior Champion to play in this event, so the Board voted to pay for last year's winners to be able to play this year.

Because the sign up to participate in the Ringer came out late this year, the Board voted to not allow the Spring Opener to count as a Ringer event.

The match play brackets will be finalized sometime next week.

Every year golfers sign up with OGA to establish a handicap and pick a golf course that affiliates with that handicap. Some golfers are confusing this system and thinking they are joining the men's club which is not true. It costs \$100 (currently) to join the men's club whether or not you are an OGA member. It would be cheaper to just join the men's club and not go through OGA first. The club will attempt to change the language on our membership application form to reflect the \$100 requirement regardless of a previous OGA signup. Also, the Board recommended our Vice President attend the next OGA executive meeting to express our concerns over this confusing situation.
