

# MEN'S CLUB BOARD MEETING JUNE 25, 2019

## MEMBERS IN ATTENDANCE:

Jack Byrne, Michael Zavrnsnick, Scott Carver, Guy DeMars, Dana Kolik, John Lee, David Sanders, Doug Suse, Ron Sandroek

## PRESIDENT REPORT:

Purchased a battery powered time clock to use for pace of play in tournaments. After testing however, the battery proved unreliable and our scorecards do not fit. Will pursue return of clock and keep looking for correct solution.

## VP REPORT:

Nothing to report.

## TREASURER REPORT:

No changes based on current membership projections.

## HANDICAP COMMITTEE REPORT:

We are currently at 347 members with 41 being new members.

## TOURNAMENT COMMITTEE REPORT:

Not present.

## OLD BUSINESS:

The board was reminded to update their info online (handbook, handicap policy, by laws, current board members).

## NEW BUSINESS:

The men's club was asked to take over the scheduling of the games played in the Wed. and Sat. club events from Rich. This was assigned to the tournament committee to implement.

A senior golfer who currently plays on Wed. asked the board to consider a policy that exists in some other men's clubs where if a golfers' age and handicap exceeds a certain number (the example given was 105), then the golfer would be allowed to advance to the next further tee box (gold in our case). This was also assigned to the tournament committee to review.

MEETING WAS ADJOURNED
